METHOD OF CLEANSING CASTS

TO cleanse our casts, first wet the piece with luke-warm water; then dip a wet sponge or bristle brush in dry "Pearline," and rub the cast all over quickly. After this rinse the piece with fresh water, not allowing the "Pearline" to remain on it longer than is necessary.

This process should be used only on casts which have been treated with the Ivory Finish, or some other preparation which fills the pores of the plaster and renders the surface hard and smooth. Soiled casts which have no hardening finish can be cleansed only by an experienced person.

Estimates for Cleansing or Repairing Casts Furnished upon Application.

INSTRUCTIONS FOR ORDERING CASTS

WHEN giving your order, please state number and name of the subject (do not cut catalogue, as no illustration is necessary) and whether the casts are desired in **plain white** or in **ivory** finish.

Orders for goods to be shipped C.O.D. must be accompanied by sufficient amount to cover transportation charges, to insure us from loss in case goods should be rejected by consignee.

No accounts will be opened unless orders are accompanied by satisfactory Boston references.

The amount of 10 per cent. of our list prices must be added extra for cases and packing.

The smallest charge made for packing is 15 cents.

Write name and address plainly, thus avoiding errors and delay.

Please give instructions whether goods are to be shipped by express or freight, and by what line.

All communications must be addressed to the firm to insure prompt attention.

In case of error in the filling of an order, do not return the casts, but notify us at once.

GLIMPSE OF THE CAPRONI GALLERIES

The Barta Press, Boston

THIS catalogue contains only a selection of subjects suitable for home and school decoration. PRICE of our General Catalogue, $1.00, post-paid.

All works of taste must bear a price in proportion to the skill, taste, time, expense, and risk attending their invention and manufacture. Those things called dear are, when justly estimated, the cheapest: they are attended with much less profit to the artist than those which everybody calls cheap.

Beautiful forms and compositions are not made by chance nor can they ever in any material be made at small expense. A composition for cheapness and not for excellence of workmanship is the most frequent and certain cause of the rapid decay and entire destruction of arts and manufactures.
